Country	South Africa
Curriculum Vitae	

Dr. Elizabeth Rasekoala is the President of African Gong: The Pan-African Network for the Popularization of Science & Technology and Science Communication, which aims to advance the Public Learning and Understanding of Science (PLUS), scientific outreach and scientific literacy on the African continent.

Elizabeth with a professional background in Chemical Engineering, has researched, presented and written widely on public innovation and transformative development through advancing diversity, sociocultural inclusion and race and gender equality issues in science communication and science, technology, engineering and mathematics (STEM) education and skills development. She has provided extensive advisory and consultancy expertise to various governments and agencies both in the Global North and South, and to multilateral international organisations over the past 20 years, including the European Commission, the UN Commission on Human Rights, the UN Economic Commission for Africa, UNESCO, the African Union Commission and the African Development Bank.

She has been internationally recognised for her innovative, dynamic advocacy and transformative practice, with various awards, the most recent being the International NAT AWARD for Science Communication - conferred by the Natural Science Museum of Barcelona, in 2019.

2015 - Present: President-African Gong: The Pan-African Network for the Popularization of Science & Technology and Science Communication
